

MCS Back-to-School update portal

How to login to your student's account

To update your student's information, you must first login. Follow the steps below to complete this process:

IMPORTANT: You must follow these steps for **EACH** student you have in Modesto City Schools.

1 Enter your Username.

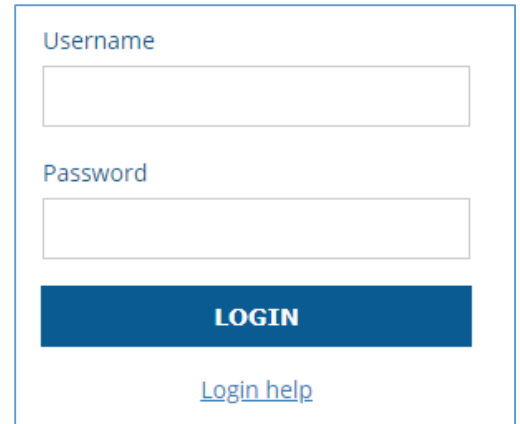

The Username is your child's student ID number.

2 Enter your Password.

The password is your child's date of birth. You must enter it in the following format: mm/dd/yyyy You must include the forward slashes "/" when entering your password.

3 Click "LOGIN"

4 Once you've logged in, click on the "Edit" option next to your student's name:
