STUDENT MEMBER SELECTION

1. Applications for the position of Student Representative to the Board of Education will be made available to all interested high school sophomores and juniors during the first week of April each year. They will be available for a two-week school period.
2. Students will be notified of the vacancy through school bulletins and meetings, posters and media announcements.
3. The interview and selection panel will be made up of one Inter-High Council representative from each participating high school, the current Student Representative to the Board of Education, a Board of Education member and the Superintendent's designee.
4. The interview and selection panel will schedule interviews approximately one week after all applications have been received by the District Office.
5. Up to eight candidates will be invited to appear before the panel for a 10 to 15 minute interview. Students should be prepared to discuss why they want to be the Student Representative to the Board of Education. Prior to the interviews, each panel member will be given copies of the applications of the each student scheduled to be interviewed. Panel members will ask the same series of questions to each applicant.
6. If a student is unable to meet with the panel on the appointed day, the panel will render a decision based upon the circumstances.
7. At the end of the interview sessions, the panel will decide on their choice for the new Student Representative to the Board of Education. If a tie exists, the panel may interview the top candidates again.
8. The new Student Representative to the Board of Education will be introduced to the Board of Education and to the Inter-High Council during the last meeting in May by the outgoing Student Representative to the Board of Education.
