### STUDENTS

#### Recording and Forwarding Grades (Minimum Attendance Requirements)

The academic achievement of any student who has been in attendance for 15 instructional hours or more in the same course in the High School District or 15 instructional days or more in the Elementary District, shall be evaluated and the evaluation forwarded to the new school of attendance.

For students in attendance less than 15 instructional hours in the same course in the High School District or less than 15 instructional days in the Elementary District, evaluation is at the option of the teacher.
