

“Destinations” Interview Questions

Name: Jessie Morales

Destination: CalPoly, San Luis Obispo

Career goal: I want to get my Masters in Civil Engineering

What is your favorite subject/class & why? Math is my favorite subject. I've always loved being able to work through difficult problems.

Who is your favorite teacher & why? Mrs. Boese is my favorite teacher. She has such a great personality and she really cares about her students.

What is your favorite high school memory? [Click here to enter text.](#)

Who/what is your biggest influence & why? My biggest influence has definitely been my parents. They inspire me to be my best and have always been very supportive of my decisions.

What is the most important lesson you learned? Do not procrastinate! Although it seems so easy to put it off and say, “Oh, I’ll do it later,” before you know it, you have to pull an all-nighter to get a project completed that’s due tomorrow.

What advice do you have for incoming freshmen? Get involved with at least one club or sport. I know that’s what everyone says, but it’s the best way to take advantage of your time in high school, and trust me, those four years fly by.

Why did you select your destination? I love the beach and I love engineering, so CalPoly SLO seemed like the perfect fit for me.

How did Modesto City Schools prepare you for your future? MCS taught me how to stay organized and set goals for myself.

In what extracurricular activities did you participate (clubs/music/chorus/athletics)? Cross Country, Dance Production, Color Guard, Swim, National Art Honor Society (NAHS), and Future Business Leaders of America (FBLA)

What is your favorite quote or saying? “If your dreams don’t scare you, they’re not big enough.” -- *Ellen Johnson Sirleaf*
