| COMMITTEE NAME: Math Study Committee | MEETING DATE: POSTPONED 10-22-19 |
| Prepared by: ○ Mike Rich | Phone Number (for questions on notes): ○ (209) 247-1132 |

COMMITTEE MEETING AGENDA:

| | |
|---|--|
| Postpone October 22, 2019 Meeting | <p>Good afternoon Math Study Committee,</p> <p>We have recently completed the following items:</p> <ul style="list-style-type: none"> • Took a team to Sanger High School to review their math curriculum and team efforts • Sent a survey out to all MCS 9-12 math teachers, seeking their input based on the questions devised at the September meeting. We have received about 50 responses to this survey. • Sent a survey out to all districts that we identified as similar schools who are getting above average results, seeking their input based on the questions devised at the September meeting. We have received very few responses to this survey. <p>We have continued to reach out to the districts to look for opportunities for visits, including those outside of the valley, and we received two districts who have granted us the opportunities; Whittier High School and Tokay High School. To help facilitate these visits and allow for the group to hear the visit feedback, we are going to do the following:</p> <ol style="list-style-type: none"> 1. Cancel the October 22nd Math Study Committee Meeting 2. Meet as planned on November 19th 3. Add a meeting on December 11th to make up for the October 22nd cancelation <p>Whittier High Visit: We will be sending a team of 5-6 committee members to go down to visit Whittier Union High School District. Their District Algebra 1 team meets on Wednesday, October 30th. We have been invited to meet with the team and ask any questions we would like, as well as see their review of the curricular plan. The team would drive down on Tuesday, stay the night, and then drive back on Wednesday, after spending several hours with the team.</p> <p>Tokay Visit: We are still working out the details for the date with Tokay. I will get back to you as I learn more.</p> |
