

El Vista Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

El Vista School was built in 1953. We are located in the southeast section of Modesto, California. During the years there have been many additions to the facility. Our student body consists of 66% Hispanic or Latino, 18% White, 4% African American, 3% Asian, 1% American Indian, 1% Pacific Islander and 7% Other. Additionally, 94% of our students are Socioeconomically Disadvantaged and 28% are English Learners. Our Child Development Programs house two State Preschool classrooms and two Head Start classrooms with approximately 99 students enrolled. We also house four Special Education Severely Handicapped classrooms and fifteen Kindergarten through Sixth Grade classrooms with approximately 400 students enrolled. In addition to the TK-6 classrooms and staff, El Vista has one Computer literacy teacher, one library media assistant, one Speech and Language Therapist, one part-time School Psychologist, one Student Assistant Specialist, one After School Program Director, one Resource Paraprofessional, one reading intervention Paraprofessional, 12 Special Education Paraprofessionals, one Administrative Assistant, one Attendance Clerk, one part-time bilingual TCII, three Custodians, three Food Service Employees, one Campus Assistant, and six Yard Duties.

During the 2019-20 school year El Vista students did not complete the Smarter Balanced Assessment Consortium (SBAC) due to the school closure. The data results from the 2018-2019 school year will be used to report a baseline for future growth. Our 5th graders will take the CAST Science Test mandated by the State of California. School-wide reading intervention/enrichment was implemented during the 2019-20 school year until the school closure. The intervention continues to use Phonics for Reading, Language for Learning, Reading Mastery, and Corrective Reading to teach students. Modesto City Schools provided 26 early release days during the 2019-20 school year that allowed the teachers collaboration time. Teachers will be provided 26 more days during the 2020-21 school year. During collaboration teachers meet in grade level teams to discuss student data, compose SMART Goals and common assessments to monitor student progress. Over the last four school years El Vista's leadership team went to a conference on Professional Learning Communities (PLC). The information from this conference helped to reshape the purpose and duties of our PLC's.

El Vista is committed to building the character of every student through promotion of the Modesto City Schools Character Education Program. During the 2019-20 school year our counselors presented Peace Builder lessons to El Vista classrooms. El Vista continues to implement the Positive Behavior Interventions and Support (PBIS) strategies throughout the campus. El Vista also participated in the second year training for Restorative Practices, a program designed to teach students conflict resolution and right wrongs. We use Bull Dog Bucks and a store where the students can spend their “bucks,” lunch with the principal, and school dances to reward students for their behavior. Parents are encouraged to participate in activities at El Vista. During the 2019-20 school year they were invited to participate in Back to School Night, Second Cup of Coffee, Student of the Month Assemblies, End of Trimester Awards, Parent Partnership Training, The English Learner Advisory Committee, School Site Council, and the Parent Involvement and Engagement Committee.

During the 2019-2020 school year, the Coronavirus caused schools to close from March 19, 2020 - May 31, 2020. In response to the closure, instruction was provided through Distance Learning using District provided laptops. Professional development was nearly completed, internal end of year measures were not given in the areas of English Language Arts, Mathematics, and Science. State and National Assessments, such as CAASPP, were not administered. Due to the COVID-19 impact, the 2020-2021 school year began with students on either distance learning or Modesto Virtual Academy (MVA). All students received a 1-1 student device and mobile internet hot spots were provided to those students who did not have access to internet at home. Additionally, textbooks and other necessary instructional materials were distributed to all students so that they can access the grade level curriculum at home. An array of supports have been put in place to track and monitor attendance and academic achievements during distance learning.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

In an effort to keep students safe on school grounds before, during and after the school day we have these plans in place: 1) Students are allowed on school grounds during the time of contracted supervision beginning at 8:10 a.m. Four yard duty employees and a minimum of four Special Ed Paras monitor the playground/bus arrivals until classes begin at 8:35 a.m. After school crowd control/bus departures are monitored for 30 minutes after dismissal; 2) Monthly character education focus; 3) Peace Builders and Restorative Justice programs; 4) The district Student Conduct Code is enforced to maintain high standards of behavior.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Age of School/Buildings:

This school has classrooms, a cafeteria, a library, an early childhood education program, and an administration office. The main campus was built in 1953 and opened in 1953.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 08/11/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	1st toilet seat leaks at spud.
Interior: Interior Surfaces	Good	Tiles are missing near toilet.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	
Electrical: Electrical	Good	
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Fountain has excessive pressure.
Safety: Fire Safety, Hazardous Materials	Good	
Structural: Structural Damage, Roofs	Good	
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	20	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

The El Vista Parent Club meets once a month and is open to parents and guardians of El Vista students. The Parent Club conducts fundraisers throughout the year for enhancement of the school's physical environment, art appreciation, assemblies focused upon character development, and field trips. The Parent Club recruits parents to serve as room parents, assisting the teacher with classroom activities. During the course of the school year, the Parent Club assists all classrooms with family events to raise funds for field trips.

Parents are encouraged to participate in activities at El Vista. During the 2020-21 school year they will be invited to participate in Round-Up, Back to School Night, Second Cup of Coffee, Coffee with the Counselor, Student of the Month Assemblies, evening presentations of El Vista music and chorus students, End of Trimester Awards, ELA Night, Math Night, The English Learner Advisory Committee, School Site Council, and the Parent Involvement and Engagement Committee. All parents are given the opportunity to seek membership and election for the School Site Council.

During school closure due to COVID-19, schools plan to hold all parent meetings and student assemblies virtually. Our goal is to provide the same experiences to students and families by using technology until the school closure is lifted.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.1	0.8	3.6	2.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.43	4.9	N/A
Expulsions	0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

El Vista has a school safety plan in place for 2020-2021. This plan is reviewed and updated yearly after the Safety Committee receives input from all staff. The Safety Plan includes a copy of the minutes from the Safety Committee Meeting when the Safety Plan was adopted. The Safety Plan components include Immediate Action Responses, Emergency Situations, Student/Parent Reunification, Maps, Evacuation Routes and Procedures, and Students Speaking Out and Safety Hotline Information. It also includes the MCS Dress Code Policy. Additionally the plan includes sections for the Schools Physical Environment, Schools Cultural Environment, Parent/Student Ingress and Egress, School Social Environment, and Nondiscrimination in Education Programs and Activities.

Types of Services Funded (Fiscal Year 2019-2020)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap> . The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2019-2020> . While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap. Due to the Covid-19 pandemic, the district prepared a Learning Continuity Plan in accordance with State requirements. The LCP outlines how the district has addressed the demands of the pandemic.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	5	9

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTSA) and Peer Assistance Review (PAR) program. For the second year, MCS has provided the opportunity for 0.5% compensation for those who choose to complete an extra six hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
