

Enslin Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Enslens School was built in 1929 and is proud of its distinction of being one of the oldest operating schools in our district. It is located on a shady, tree-lined campus in an established neighborhood near the center of Modesto. The staff, parents, students, and community have a long-standing sense of "family" and pride for their school. Enslens has focused on developing and implementing educational programs that are responsive to the needs of students in an ever-changing world. Teachers, parents and support staff collaborate to provide an enriching and supportive environment for all students. The small school atmosphere lends itself well to fostering a rich, challenging learning climate and providing opportunities for children to develop academically, socially, and physically.

Enslens has earned the reputation of maintaining high academic expectations and providing a strong educational program. Many of our parents and some grandparents are former Enslens students, and they have deliberately located their families in the Enslens area so that their descendants could continue the tradition of being Enslens graduates. Parents are actively involved and serve in leadership capacities through the Parent Involvement and Engagement Committee, English Language Parent Partnership, and the Parent Teacher Club (PTC). Parent volunteers are visible daily, providing support and assistance throughout the school. Our educational environment and teaching strategies meet the goals and objectives of a strong curriculum. The Enslens faculty utilizes every opportunity for grade level collaboration centered on analyzing student assessment data and utilizing effective instructional strategies to meet the needs of our students.

Although Enslens is a small school with somewhat limited resources, the emphasis has been on utilizing funds to provide programs, services, and technology that maximize student performance. Enslens's warm and friendly atmosphere, positive learning environment, and tradition of excellence are the products of partnerships between staff, students, and the community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Age of School/Buildings:

This school has classrooms, a cafeteria, a library, and an administration office. The main campus was built in 1939 and opened in 1939.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District’s high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 6/30/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Damage to ceiling, Damage to walls, Door sticks
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Unsecured items are stored too high
Electrical: Electrical	Fair	Blocked electrical panel
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	Loose faucet

System Inspected	Rating	Repair Needed and Action Taken or Planned
Safety: Fire Safety, Hazardous Materials	Good	Plug-in air freshener, Excessive art on walls, Paper hanging from ceiling
Structural: Structural Damage, Roofs	Good	Exterior dry rot
External: Playground/School Grounds, Windows/Doors/Gates/Fences	Good	Door handle loose
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	50	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parents are encouraged to be involved in the PTC (Parent Teacher Club), volunteer in the classrooms, help publish the yearbook, and assist with fundraising programs. During the COVID crisis, some of the ways parents are involved had to change. Even from a distance, our PTC and parents continue to find creative ways to support staff, students, and promote school spirit. Parents are also encouraged to join the Parent Engagement and Involvement Committee and the English Language Parent Partnership to engage in meaningful communication to improve academic achievement for our Ensenlen students. Parents can obtain up-to-date information on the Ensenlen school website, or the calendar that the school puts out every month.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.8	1.8	3.6	2.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	1.49	4.9	N/A
Expulsions	0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Student safety is discussed regularly at Staff meetings, Parent Teacher Club meetings and Safety meetings. The School Safety Plan is reviewed by the School Safety Team regularly. The school custodian checks the school grounds for safety each morning before the children arrive. Repairs are made quickly whenever safety issues are involved. Yard duty staff supervises the playground before school, after school, and during recess. The gates are locked after school begins so that all visitors must come through the front door. A sign is posted at the door informing visitors to report to the office. Visitors sign in at the office and must have their driver’s license scanned using the Raptor system. All visitors must wear a Raptor badge while on campus. Letters are sent home and the “phone dialer” is used throughout the year reminding parents that students may not be on campus before 8:15 and must go home immediately after school for their own safety.

During the pandemic, great care and attention has gone into health and safety, included adhering to rigorous protocols such as sanitation stations, social-distancing, occupancy limits in spaces, and wearing of masks, to name a few.

Types of Services Funded (Fiscal Year 2019-2020)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap> . The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2019-2020> . While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap. Due to the Covid-19 pandemic, the district prepared a Learning Continuity Plan in accordance with State requirements. The LCP outlines how the district has addressed the demands of the pandemic.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	5	9

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTSA) and Peer Assistance Review (PAR) program. For the second year, MCS has provided the opportunity for 0.5% compensation for those who choose to complete an extra six hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
