School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

School Mission Statement: The aim of Franklin Elementary School is to teach all students:

- To read with understanding and enjoyment; to communicate effectively in writing.
- To apply listening and speaking skills in a variety of contexts;
- To master the English language and application of mathematics;
- To understand the fundamental concepts, terms, and processes of science;
- To value democratic ideals;
- To help all students develop character traits, appropriate behavior, self-discipline, decision-making abilities, and respect for other cultures;
- To appreciate art, drama, dance, and music; and
- To understand the value of physical fitness and wellness while developing essential academic skills.

The aim of staff development at Franklin Elementary is to increase the skills and knowledge needed to implement effective teaching strategies in a safe, supportive, and nurturing environment.

School Vision Statement: All Franklin students can, and will, learn at high levels in a safe, supportive, and nurturing environment.

School Description: Franklin Elementary School is an urban, public school located in west Modesto, California, approximately one mile from the District's central office, which was the original location of Franklin Elementary School. Our enrollment is 809 students in Kindergarten through sixth grade. Additionally, we have 84 Head Start and State Preschool children on our campus, for a school wide enrollment of 893 students.

Our campus is diverse and comprised of approximately 76% Hispanic or Latino, 6% Asian, 7% White, and 5% African American. 48% of our students are second language learners, 7% of our students have a diagnosed learning disability, and 99% are socioeconomically disadvantaged. Franklin Elementary has 51 certificated staff members and 37 classified staff.

Franklin is a generational school where the veteran faculty are now proudly teaching the children of former Franklin students. Many of the teachers have advanced graduate degrees and certificates (i.e. Masters, Doctorate) and our support staff members are passionate about meeting the academic, behavioral, and social-emotional needs of our students. Additionally, our dedicated Resource Specialists, itinerant professionals (School Psychologist, Speech Therapist, Library Assistant, Mental Health Clinicians, Student Assistant Specialist, Nurse, Computer Literacy, and Music teachers), and three site administrators work together with families and the community in a collaborative partnership to build a positive school community and strengthen student achievement.

Our large campus houses 33 Kindergarten through sixth grade classrooms, one Head Start class, three Preschool classes, a library, a resource classroom, and two computer labs. Our emphasis on literacy is reinforced by an Instructional Coach, two intervention Instructional Paraprofessionals, and a District Improvement Facilitator who work closely with classroom teachers in using research-based programs to support struggling readers in grades K-3. Teachers provide targeted intervention during the school day, as well as before and after school tutoring to promote proficiency in reading comprehension and fluency. The After School Education and Safety (ASES) Program provides homework support, enrichment opportunities, performing arts, and sports activities for approximately 160 students. Our Healthy Start Program offers parenting, nutrition, and empowerment classes and connects families to a variety of community services. Our collaborative network of business and community partnerships enables Franklin students to receive mentoring and additional literacy support. Collectively we endeavor to: (1) provide each student with a relevant educational experience that addresses real-world problems; (2) cultivate life-long learners; and (3) develop a respectful and responsible citizenry.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: December 2018

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements (School Year 2017-18)

Please review and update the information below as needed. This section should include information from the most recent Facility Inspection Tool (FIT) data (or equivalent), including:

School Facility Conditions -- General Information

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the District Office and on the internet at mcs4kids.com.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has 36 classrooms, a cafeteria, library, latchkey, pre-school, family learning center and an administration office. The main campus was built in 1951. Additions were constructed in 1964 and in 1965. Eighteen portable classrooms were constructed over the periods 1977, 1985, 1986, 1991, and 2000. The school opened in 1951.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The District’s governing board has adopted cleaning standards for all schools in the District. A summary of these standards are available at the school office, or at the District Office. The Principal works continually with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. For the 2016-17 school year, the district budgeted \$0.69 million out of the District General Fund carry-over funds for deferred maintenance projects throughout the District. The District also has 1.28 million of carry-over funds in Fund 14 Deferred Maintenance Fund available for deferred maintenance projects throughout the District. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	14.0	20.0	28.0	31.0	48.0	50.0
Mathematics (grades 3-8 and 11)	9.0	11.0	19.0	21.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	491	486	98.98	20.16

Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percentage of Students Meeting or Exceeding the State Standard					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	16.7	25.4	9.5

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Dina Brambila (Healthy Start Coordinator) (209) 575-7365

Brenda Patton (Community Aide/ Attendance Liaison) (209) 574-8112

There are multiple opportunities for parent involvement. Through the Healthy Start Program, parents may participate in classes to learn about nutrition, CPR, First Aid, positive parenting, stress management, self-esteem, and strategies to assist in the education of their children. Other venues for parent involvement include: Parents Making A Difference Conference; bi-monthly Parent Café meetings, and the English Learner Parent Partnership (ELPP) informational meetings; the Promotoras Network group meets monthly and empowers parents to develop their 'voice' in the community; the Latino Family Literacy Project and Fit Families sessions encourage literacy, health and fitness. Additional parent/student activities and events are held throughout the school year under the direction of the Healthy Start Coordinator.

Parents may also become involved in: the School Site Council meetings where the school plan and site needs are addressed; informal gatherings called the Franklin Family Fellowship where families discuss ideas for school improvement over breakfast; monthly Parent-Teacher Club (PTC) meetings are held to plan and promote family-oriented activities, including Family Movie/Literacy/Science Nights. Through the PTC, parents may also support fundraising activities, a Volunteer Luncheon to recognize the contributions of other parents and community members, and a host of other events designed to provide the parents/community with information about literacy and math, as well as intervention and enrichment services designed to promote student success.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

Franklin's seven-member Safety Committee reviewed and updated the comprehensive School Safety Plan in September 2015. Key elements in the plan include providing a secure campus, school crisis procedures, evacuation plans, and visitor policies. A copy of the plan is available for review on our district's webpage.

Once school has begun, all campus exterior gates are locked. When visitors enter campus, they must come into the office, sign a Visitor's Log, and wear a Visitor's sticker, which is dated and/or initialed by office staff. The school grounds are also monitored by our Campus Assistant and Yard Duty Supervisors who supervise the morning, lunch, and afternoon recess duty. Before and after school, the Campus Assistant, the student Safety Patrol members, and the adult Safety Patrol Coordinator serve as crossing guards in front of the school to help students and adults cross at the busy intersection. Students in the ASES Program are supervised until they are picked up by their parents by 6:00 PM. School wide fire/evacuation drills are held each month and no fewer than two lockdown drills are conducted every year during the 1st Trimester.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap>. The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2017-2018>. While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Professional Development (Most Recent Three Years)

Professional Development opportunities are designed to assist educators with effective educational practices designed to increase student outcomes. Opportunities are varied and include guest speaker presentations, conferences, after school workshops or training, collaboration, individual mentoring, etc. Professional Development is often specific to accommodate various grade levels and/or content areas.
