School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Lakewood School is situated in the eastern suburban section of the City of Modesto in Stanislaus County. Built in 1978, it is one of the 22 elementary schools in the District and is composed of 20 classrooms. Centrally located within a neighborhood of middle-income homes, the school serves students from kindergarten through 6th grade. It is the aim of Lakewood School to encourage and assist every student to:

- 1) Acquire basic skills to function in daily life and pursue educational interests as productive and worthy citizens;
- 2) Acquire skills and attitudes to deal effectively with other students in school and social experiences;
- 3) Develop talents that will assist them in improving recreational interests and help improve their self esteem and self-image.
- 4) Envision education as a lifelong pursuit which brings intellectual fulfillment.
- 5) Develop multi-cultural understanding and appreciation among the students from all backgrounds with and without disabilities

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Lakewood School is proud to provide a safe haven for children and strictly follows the District's guidelines for school safety, discipline, and drug prevention. Lakewood School has been part of the Safe Schools Project. Campus Club childcare is offered before and after school. All staff have been issued Lakewood School MCS identification badges. All visitors are required to sign in/out and pick up a guest sticker. The principal and staff monitor the parking lot in the morning and afternoon on a daily basis. The School's Safety Committee is comprised of the principal, staff, and parents. Lakewood School has a closed parking lot monitored by our student safety patrol and staff. The campus is closed after 6:30 pm on the weekdays and on the weekends. Lakewood staff works with community members who are interested in using the facilities before and after school. The Safety Plan and Emergency Crisis Plan are modified yearly and as needed. These plans include procedures for school safety issues, release of students, and all emergency drills. Regular Safety Committee meetings are scheduled at the school site. This committee responds to student, parent and staff-generated safety concerns. Office personnel update the Crisis Response Kit annually. The school nurse maintains records and provides in-services of student health care plans to teachers, students, secretaries, and the principal.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has 20 classrooms, a multipurpose room, library, and an administration office and cafeteria. The main campus was built in 1978. Additions were constructed in 1988, and 1998. Five portable classrooms were constructed over the periods of 1988, 1998 and 2001. The school opened in 1978.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the district office. The Principal works continually with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. For the 2016-17 school year, the district budgeted \$0.69 million out of the District General Fund carry-over funds for deferred maintenance projects throughout the District. The District also has 1.28 million of carry-over funds in Fund 14 Deferred Maintenance Fund available for deferred maintenance projects throughout the District. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	73	77	27	28	48	48
Mathematics (grades 3-8 and 11)	63	65	17	19	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	242	241	99.59	77.18
Male	130	130	100	74.62
Female	112	111	99.11	80.18
Black or African American	--	--	--	--

English Learners	34	34	100	79.41
Students with Disabilities	28	27	96.43	40.74
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	23.3	30	31.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parent participation is an essential component in facilitating meaningful and productive classroom and on-site enrichment activities. Lakewood Elementary has a long history of strong and active parental support through the PTA and classroom volunteers. Teachers work with parents to coordinate events and activities within the classroom and school day, as well as activities outside the school day. If you would be interested in volunteering for a classroom activity, please contact the Principal's Secretary to schedule a classroom appointment at 574-8152.

The school coordinates and integrates the parental involvement program with other programs, and conducts other activities, to encourage and support parents in fully participating in the education of their children. The Lakewood PTA President this year is Melissa Monday. The membership could use your help. Please contact Melissa at 574-8152.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Key Safety Plan Elements

- Students are acknowledged and respected
- Social services support systems are coordinated
- The school is alert to exposure to safety issues
- School buildings and classrooms are well maintained
- Campus security and safety is coordinated with law enforcement
- Parents and teachers actively participate in regular safety meetings

The Lakewood Elementary Safety Plan was last updated and approved on October 26, 2017 by the Lakewood Elementary Safety Committee.
