

Lakewood Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

Lakewood Elementary School is situated in the eastern suburban section of the City of Modesto in Stanislaus County. Built in 1978, it is one of the 22 elementary schools in the District and is composed of 18 classrooms. The school serves students from kindergarten through 6th grade. It has a student population of 386 students. Lakewood houses one of three GATE learning centers within Modesto City Schools. Lakewood is known for high achievement, and a high level of community involvement.

Lakewood's school community is very engaged. It provides expertise in academic areas as well as enhancing extra-curricular activities such as recreational sports and fine arts. Through this extensive interaction, the community takes a lot of ownership and pride in the excellence of Lakewood. The staff and community constantly search for ways to improve and increase high academic and social expectations. Parents are an important partner in their child's success and achievement. The parents, staff, and students make a successful team.

It is the aim of Lakewood Elementary School to encourage and assist every student to:

- 1) Acquire basic skills to function in daily life and pursue educational interests as productive and worthy citizens;
- 2) Acquire skills and attitudes to deal effectively with other students in school and social experiences;
- 3) Develop talents that will assist them in improving recreational interests and help improve their self esteem and self-image.
- 4) Envision education as a lifelong pursuit which brings intellectual fulfillment.
- 5) Develop multi-cultural understanding and appreciation among the students from all backgrounds with and without disabilities

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

Lakewood School is proud to provide a safe haven for children and strictly follows the District's guidelines for school safety, discipline, and drug prevention. Lakewood School has been part of the Safe Schools Project. Campus Club childcare is offered before and after school. All staff have been issued Lakewood School MCS identification badges. All visitors are required to sign in/out and pick up a guest sticker. The principal and staff monitor the parking lot in the morning and afternoon on a daily basis. The School's Safety Committee is comprised of the principal, staff, and parents. Lakewood School has a closed parking lot monitored by our student safety patrol and staff. The campus is closed after 6:30 pm on the weekdays and on the weekends. Lakewood staff works with community members who are interested in using the facilities before and after school. The Safety Plan and Emergency Crisis Plan are modified yearly and as needed. These plans include procedures for school safety issues, release of students, and all emergency drills. Regular Safety Committee meetings are scheduled at the school site. This committee responds to student, parent and staff-generated safety concerns. Office personnel update the Crisis Response Kit annually. The school nurse maintains records and provides in-services of student health care plans to teachers, students, secretaries, and the principal.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a multipurpose room, cafeteria, library, and an administration office. The main campus was built in 1978 and opened in 1978.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Maintenance & Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 7/8/2020

System Inspected	Rating	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Linoleum bubbling up, Stained ceiling tiles
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	Clutter and/or poor housekeeping
Electrical: Electrical	Poor	Blocked electrical panel

System Inspected	Rating	Repair Needed and Action Taken or Planned
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Fair	Some fountains are broken, some fountains have high flow,
Safety: Fire Safety, Hazardous Materials	Good	Some emergency exit lights are not working properly, Some emergency exit lights were missing/removed, Excessive artwork on walls and/or hanging from ceiling
Structural: Structural Damage, Roofs	Good	Exterior awning cracked/peeling
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	66	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Parent participation is an essential component in facilitating meaningful and productive classroom and on-site enrichment activities. Lakewood Elementary has a long history of strong and active parental support through the PTA, classroom volunteers, committee opportunities, and family events. Teachers work with parents to coordinate events and activities within the classroom and school day, as well as activities outside the school day. If you would be interested in volunteering for a classroom activity, please contact the Principal's Secretary to schedule a classroom appointment at 209-574-8152.

The school coordinates and integrates the parental involvement program with other programs, and conducts other activities, to encourage and support parents in fully participating in the education of their children. The Lakewood PTA President this year is Melissa Monday. The membership could use your help. Please contact Melissa at 209-574-8152.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	0.5	3.6	2.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2.27	4.9	N/A
Expulsions	0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Key Safety Plan Elements

- Students are acknowledged and respected
- Social services support systems are coordinated
- The school is alert to exposure to safety issues
- School buildings and classrooms are well maintained

- Campus security and safety is coordinated with law enforcement
- Parents and teachers actively participate in regular safety meetings

The Lakewood Elementary Safety Plan was last updated and approved on October 26, 2020 by the Lakewood Elementary Safety Committee.

Types of Services Funded (Fiscal Year 2019-2020)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap> . The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2019-2020> . While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap. Due to the Covid-19 pandemic, the district prepared a Learning Continuity Plan in accordance with State requirements. The LCP outlines how the district has addressed the demands of the pandemic.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	5	9

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTSA) and Peer Assistance Review (PAR) program. For the second year, MCS has provided the opportunity for 0.5% compensation for those who choose to complete an extra six hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
