School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

School Philosophy

It is the goal of all staff at John Muir School to develop a safe, positive, and optimum learning environment for all of our students. Our aim is to encourage and assist all students to attain a positive self-image and in turn, motivate them to acquire the academic knowledge to become independent and critical thinkers. We want our students to develop social skills needed to become responsible and successful contributing members of society.

Mission Statement Goal

We believe that ALL students can show growth and be successful as we provide the necessary knowledge and skills in a safe and positive environment.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: December 2018

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions – General Information (Most Recent Year)

Please review and update the information below as needed.

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

It is the goal of John Muir School to develop a safe, orderly and positive environment for our students. It is our aim to nurture and encourage every student to attain a positive self-image and to strive to reach his/her highest capabilities. We want our students to feel at home at school and to acquire the knowledge and skills necessary to become a responsible, successful, contributing members of society.

Physical Environment:

- School grounds protected by chain link fence.
- Signs are posted to ensure visitors to stop by the Office prior to visiting the school.
- A strong discipline plan has been formulated by teachers to ensure a reduction in loitering in unsupervised areas and student accountability during school hours.
- Vandalism and graffiti are handled before students arrive on campus.
- Parents/staff input and identify safety concerns that are then prioritized.

Social Environment:

- Parent participation is evident throughout our school programs (PTA, advisory committees: S.S.C./E.L.P.P., Parent Involvement/Engagement Committee, Coffee with a Counselor, etc).
- Modesto City Schools' set target and minimum expectations providing well-defined core curriculum in all subject areas.

Culture Environment:

- Strong behavioral and academic expectations for all.
- School rules are well known, responsible and consistently enforced by staff at all grade levels.
- Individual differences in learning styles and abilities are addressed through various teaching strategies.

Learning and productivity are valued and success is expected of everyone. Efforts are celebrated through various forms of recognition highlighting contributions to the school environment.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has 26 classrooms, a cafeteria, library, head-start, preschool and an administration office. The main campus was built in 1950. Additions were constructed in 1954 and in 1965. Nineteen portable classrooms were constructed over the periods of 1965, 1976, 1985, 1989, 1990, 1991, 1992, 1997 and 2000. The school opened in 1950.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the district office. The Principal works continually with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. For the 2016-17 school year, the district budgeted \$0.69 million out of the District General Fund carry-over funds for deferred maintenance projects throughout the District. The District also has 1.28 million of carry-over funds in Fund 14 Deferred Maintenance Fund available for deferred maintenance projects throughout the District. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year) Year and month of the most recent FIT report: 11/8/2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	
Interior: Interior Surfaces	Fair	Stained ceiling tiles
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	Good	
Electrical: Electrical	Good

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	23.0	28.0	28.0	31.0	48.0	50.0
Mathematics (grades 3-8 and 11)	14.0	20.0	19.0	21.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	279	274	98.21	27.84

Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	33.8	13.5	2.7

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

John Muir parents have opportunities to become involved with school activities. Parents are able to attend Round-Up at the site, prior to the start of the school year. Parents can attend the annual Title 1 meeting held at Back to School night and parent conferences in November. Once a month, there are parent meetings that support parents, by hosting a variety of presentations. Classes for parents, including a variety of topics, have been offered monthly. The School Site Council, English Language Parent Partnership, and Parent Involvement / Engagement Committee also offer opportunities for students to become informed with school occurrences. The school PTA also reaches out to parents in a variety of ways and holds monthly family night activities.

Kathy Qualters 574-8184

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

School Safety Plan (School Year 2018-19)

The Safety Plan was updated and reviewed October 8 and December 13, 2018.

The goals of the John Muir School Safety Plan are as follows:

1. Strong behavioral and academic expectations for all.
2. School rules are well known, reasonable and consistently enforced by staff at all grade levels.
3. Procedures for lockdowns and other crisis's are listed in the plan.

4. Individual differences in learning styles and abilities are addressed through various teaching strategies.
5. Learning and productivity are valued and success is expected of everyone.
6. Efforts are celebrated through various forms of recognition highlighting contributions to the school environment.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

State	N/A	N/A	\$7,125	\$79,128
Percent Difference: School Site and State	N/A	N/A	17.4	23.7

Note: Cells with N/A values do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap>. The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2017-2018>. While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$56,836	\$47,903

Average Principal Salary (Middle)	\$123,319	\$129,482
Average Principal Salary (High)	\$141,271	\$142,414
Superintendent Salary	\$253,236	\$271,429
Percent of Budget for Teacher Salaries	32.94%	34.64%
Percent of Budget for Administrative Salaries	5.20%	5.14%

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Professional Development opportunities are designed to assist educators with effective educational practices designed to increase student outcomes. Opportunities are varied and include guest speaker presentations, conferences, after school workshops or training, collaboration, individual mentoring, etc. Professional Development is often specific to accommodate various grade levels and/or content areas.
