School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

Sonoma students will value the process of learning as a lifelong activity.

The Sonoma principal will be supportive of students, teachers, and faculty.

Colleagues at Sonoma School will be professional and collaborative in the areas of curriculum, ideas, successes and challenges. They will share responsibilities school-wide. Share the excitement of teaching with each other.

The primary role of teachers at Sonoma School will be to help students meet and exceed grade level standards by teaching to the highest expectation of student success.

Instruction will be planned to promote higher level thinking skills through engagement in meaningful activities. It will be implemented through research based and district adopted curriculum.

Success will be measured by positive student outcomes including academic and social growth as well as a positive approach to learning. Sonoma School will be viewed by our community as an outstanding example of excellence in education.

Children are unique. Though they have the same rights and similar needs, their differences will be recognized and accepted by all at Sonoma School.

Students will grow academically, physically, socially and emotionally through a positive teaching and learning climate. Sonoma teaches a standards based curriculum based on the Common Core State Standards. Teachers have high standards for each student.

Students will be prepared to function in a larger society by acquiring knowledge and learning to think for themselves. Students will have opportunities to apply learned skills, to make decisions and to contribute to their school.

Rules and laws assure general safety and fair treatment for all. Sonoma continues to adhere to a PBIS model to approach behavior concerns at the site. Efforts are being made to specifically teach desired appropriate

behaviors and reinforce them through positive rewards and incentives. School Pride Assemblies are held each month.

School, families and community will maintain a cooperative relationship and work to benefit each child. Students will be introduced to opportunities and resources available in our community

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: December 2018

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions – General Information (Most Recent Year)

Please review and update the information below as needed.

School Facility Conditions -- General Information

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

The main entrance of Sonoma School is accessed through an electric front door into a long hallway. This is to accommodate the physically handicapped students on campus. A Modesto City Schools sign is posted at the entrance stating that all visitors are required to check in with the front office. A visitor sign-in sheet, stickers and badges are located at the front counter alongside the Principal's Secretary's desk. Students are allowed on campus at 8:30 to go directly to the cafeteria for breakfast. Approximately 80-100 students eat breakfast on campus each day. Students are allowed on the playground/campus at 8:40a.m. At that time classified and/or certificated school personnel are providing yard duty supervision. The yard duty schedule is as follows: Recess 8:40-8:55, 10:30-10:45, 10:45-11:00, 11:00-11:15, 1:45-2:00. A minimum of three yard duty employees watch students during these recess times. Three yard duty employees supervise the students during the three lunch shifts between 11:35p.m. – 1:15p.m. A certificated teacher oversees Traffic Patrol, school crossing guards before and after school. The parking lot is closed before and after school except for the buses of physically handicapped students. Certificated and/or classified employees wait at the bus zone to greet students exiting the bus at arrival time and assist students boarding the buses at dismissal time.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has 28 classrooms, a cafeteria, library, OMIT latchkey, pool building, staff room, and an administration office. CCS Therapy Unit also shares a portion of the campus. The main campus was built in 1973. Additions were constructed in 1974. Four portable classrooms were constructed over the periods of 1988, 1991 and 2001. The school opened in 1973.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the district office. The Principal works continually with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. For the 2016-17 school year, the district budgeted \$0.69 million out of the District General Fund carry-over funds for deferred maintenance projects throughout the District. The District also has 1.28 million of carry-over funds in Fund 14 Deferred Maintenance Fund available for deferred maintenance projects throughout the District. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	56.0	63.0	28.0	31.0	48.0	50.0
Mathematics (grades 3-8 and 11)	48.0	59.0	19.0	21.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2017-18)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	282	278	98.58	63.31

Students with Disabilities	23	20	86.96	15.00
Students Receiving Migrant Education Services	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Science (grades 5, 8, and 10)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2017-18)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	12.9	17.1	7.1

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

Contact Person: Darin Willett, Principal COMMUNICATE

Communication between home and school is regular, two-way and meaningful.

Newsletters/flyers are sent home by PTA and administration to inform parents of upcoming events and important information.

Facebook PTA accounts are set up to strengthen communication.

The school website is updated and promoted for student and parent communication.

Sonoma hosts a "Round Up" prior to the beginning of the school year for parents and students to learn about the programs being offered throughout the school year and the different ways to get involved.

Sonoma hosts a Back To School Night during the first month of school as an opportunity for parents to meet their child's teacher and receive information about classroom routines/expectations and grade level curriculum.

Parents are welcome in the school and are actively pursued for volunteering.

Parents are encouraged to participate in committees such as Parent Engagement Committee, English Language Learners Partnership, Sonoma PTA and the School Safety Committee. Meeting agendas are published 72 hours

in advance for these meetings and all parents are encouraged to attend even if they are not an elected member.

Teachers conference with parents via telephone, written notes or in person and help parents with strategies for supporting school work and homework.

Parents are provided report cards at the end of each trimester that details their child's academic progress for the school year.

Progress reports are sent home to at-risk students throughout the school year.

Parents are able to email their child's teacher for clarification on issues pertaining to their child.

Parents will be given access to PowerSchool to monitor attendance and grades via the district's website.

Parents receive automated phone messages (School Messenger) reminding them of important upcoming events, minimum days, important deadlines or school safety concerns, etc..

A copy of the Parental Involvement Plan is located in the front office so that it is accessible to parents.

COLLABORATE

Parents play an integral role in assisting student learning. Through effective collaboration we will see an increase in student achievement.

Parent support and assistance is needed and welcomed.

The school partners with parent and community organizations to assist in achieving our school goals.

Parenting skills are promoted and supported.

The data gathered from comprehensive needs assessment surveys are reviewed and analyzed by committees comprised of both parents and teachers annually.

Parents are encouraged to participate in site level and district level committees to advocate for raising the level of academic achievement.

CELEBRATE

It is imperative to take time to celebrate our achievements throughout the school year. Parents need to be included in the celebration activities as they play an integral role in their child’s success.

Parents are invited to attend student recognition assemblies on a monthly basis where students are honored for Student of the Month, Character Traits, Attendance, etc.

Parents are invited to the annual Open House Night in the spring to view completed projects and student work.

Parents are informed of academic achievements such as Spelling Bee winners, essay contest winners, etc. via newsletters, marquee messages and phone dialer messages

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18

Expulsions	0.0	0.0	0.0	0.0	0.0	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2018-19)

The Sonoma School Safety Committee consists of teachers, classified employees, parents and the principal along with input from local law enforcement officials. The committee updates and revises the Sonoma School Safety Plan annually. The Safety Plan addresses crisis and emergency procedures such as lockdowns, fire drills and evacuation as well as a plan for pedestrian safety, parking lot procedures and visitor identification procedures.

The Safety Plan was last updated on January 23, 2018 and last discussed with staff on August 9th, 2018

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Average Class Size and Class Size Distribution (Elementary)

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded (Fiscal Year 2017-18)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcfc-and-lcap>. The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcfc-and-lcap/workshops-2017-2018>. While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap.

Teacher and Administrative Salaries (Fiscal Year 2016-17)

Category	District Amount	State Average for Districts In Same Category

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Professional Development opportunities are designed to assist educators with effective educational practices designed to increase student outcomes. Opportunities are varied and include guest speaker presentations, conferences, after school workshops or training, collaboration, individual mentoring, etc. Professional Development is often specific to accommodate various grade levels and/or content areas.
