School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

TUOLUMNE ELEMENTARY SCHOOL, situated in the southern section of Modesto, California, is a PreK-6th grade campus that proudly serves approximately 600 students throughout a traditional calendar school year. Our learning environment is filled with diverse and multicultural students who are eager to learn and a dedicated staff committed to preparing those students to be successful, lifelong learners. Tuolumne provides a rigorous standards-based curriculum in Reading Language Arts, Mathematics, Science, History Social Science, STEM, and Physical Education. All students are held to high standards of academic and behavioral expectations and we offer Multi-Tier System of Support that allows every student to learn and succeed academically, socially, physically, and emotionally. Students are expected to monitor their own learning using critical thinking and creative problem solving skills daily and demonstrate a respect for and appreciation of our community's cultural diversity. English Learners that are new to the country in grades 4 through 6 receive support from a full time ELD teacher and Paraeducator that focused on language and reading acquisition. At Tuolumne we take great pride in celebrating student achievements including Daily Morning Announcements, Fluency Fridays, Trimester Principal Awards, Honor Roll Awards, Student of the Month, Renaissance Days, Character Trait of the Month, Perfect Attendance, "Tiger Bucks", Postcards and Accelerated Reader (AR) points earned. Opportunities for student leadership and extracurricular activities include Student Council, anti-bully club, orchestra, band, chorus, Night at Theatre(VAPA), and traffic safety patrol. After School Education and Safety Program (ASES) offers a three-hour after school program on student attendance days. The ASES program provides enrichment such as arts and crafts, games, cooking, field trips and outside instruction in activities such as dance and music. The RISE program provided intervention after school in English Language Arts and additional Homework help is provided. Police Activity League (PAL) assistants also help with tutoring our students and provide team building activities during lunch time to engage students with others. The ASES Program is integrated with Tuolumne's After School Academic Opportunities for one hour Tuesday through Friday. The After School Academic Opportunities are provided by classroom teachers who deliver student instruction for a specific educational focus to increase students' learning and understanding in reading and/or math.

Our Mission Statement:

At Tuolumne Elementary School we believe every student has the opportunity to grow to their fullest potential academically, socially, emotionally and physically by means of rigorous and relevant quality instruction, within a safe and positive learning environment fostering lifelong learning for success in a global society.

Goals for the current year:

1. Literacy: Improving the reading and writing achievement of all students with mastery of the California common core standards, implementing the district approved state adopted curriculum, and using best teaching practices that encourage high student achievement.
2. Math: Improving the mathematical skills of all students with mastery of the California Common core standards, emphasizing the application of skills to solve math problems and to use high level critical thinking skills to analyze mathematical processes. Fully implementing the district approved state adopted Mathematics curriculum.
3. Technology: Increase the use of technology by staff utilizing student chromebooks schoolwide for more effective instruction and assessing students. Using Reading, Writing, and Mathematics based computer programs to practice skills and increase learning.
4. English Language Development: Implement with fidelity the district adopted state approved English Language Development curriculum to maximize the opportunities for English learners to meet the criteria for redesignation.
5. Provide interventions for students who are at risk of not successfully achieving the standards at their grade level.
6. Provide problems based lesson in Science, Technology, Engineering, and Math to engage and expose students to these career fields and create a collaborative and problem solving culture at Tuolumne.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Safety procedures are followed according to District policy:

- . One gate is open in the morning from 7:45 a.m. to 8:40 a.m.
- . The gate is monitored by an adult until locked at 8:40 a.m.
- . All visitors must sign in at the office and state their purpose for visiting to obtain a visitor's pass. After 8:40 a.m. the only access to the campus is through the office.
- . Students are supervised before/after school, at recesses and lunch by a yard duty staff.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a cafeteria, early childhood ed program, and an administration office. The main campus was built in 1950 and opened in 1950.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District's high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month of the most recent FIT report: 08/18/20

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2018-19	School 2019-20	District 2018-19	District 2019-20	State 2018-19	State 2019-20
English Language Arts/Literacy (grades 3-8 and 11)	17	N/A	31	N/A	50	N/A
Mathematics (grades 3-8 and 11)	12	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

Grade Level	Percentage of Students Meeting Four of Six Fitness Standards	Percentage of Students Meeting Five of Six Fitness Standards	Percentage of Students Meeting Six of Six Fitness Standards

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Attend Back to School & Parent Teacher conferences(in person and virtual)

English Learner Parent Partnership is composed of representatives that advise on bilingual decisions to better serve the student population.

School Site Council (SSC) assists in developing, reviewing and approving the school plan and annual categorical budget.

The Tuolumne School Safety Committee reviews and revises the school safety plan to ensure that the school maintains a Safe and Secure Learning Environment.

Volunteering in the classroom and with school activities when permitted with school openings

Parent Cafe is an informal information meeting addressing topics that are of interest to parents and connected to better serve the Tuolumne Community at large.

Partner Parenting offers parenting classes on a regular basis throughout the school year.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.7	0.5	3.6	2.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.9	4.9	N/A
Expulsions	0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Tuolumne Safety Committee will update and approve the Safety Plan in January, 2021. Public notices were sent out to the public in December 2020 inviting them to view the Tuolumne School Safety Plan. Key Elements Included:

Safe and Secure Learning Environment

Crisis/Emergency Procedures

School Area Pedestrian Safety Plan

Site Specific Dress Code

Tuolumne School Discipline Plan

Please Note: The Tuolumne School Safety Plan is available at all times for review.

Types of Services Funded (Fiscal Year 2019-2020)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap> . The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2019-2020> . While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap. Due to the Covid-19 pandemic, the district prepared a Learning Continuity Plan in accordance with State requirements. The LCP outlines how the district has addressed the demands of the pandemic.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	5	9

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTS) and Peer Assistance Review (PAR) program. For the second year, MCS has provided the opportunity for 0.5% compensation for those who choose to complete an extra six hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
