

Wilson Elementary School
School Accountability Report Card
Reported Using Data from the 2019-2020 School Year
Published During 2020-2021

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

School Description and Mission Statement (School Year 2020-2021)

School Mission Statement:

It is the mission of Wilson Elementary that all scholars will grow and learn at the highest levels through a collective commitment of equity, advocacy, and responsibility.

School Description:

Wilson School is situated in the central east suburban section of Modesto in Stanislaus County. It is one of the twenty two elementary schools in the district and is composed of seven older classrooms built in 1929 and the newer rooms in the 1950's. The buildings are in excellent condition despite their age because of the care they receive from Wilson's meticulous custodial staff. Centrally located within a neighborhood of low to high income homes, the school serves a diverse group of approximately 270 preschool through 6th grade students. Students living in our attendance area are mainly Hispanic, White and African American. The income level of the families falls into low to medium socioeconomic range with the majority of students meeting free or reduced meal eligibility. This year the CEP allows all students to receive two free nourishing meals each day. There are nine general education teachers, one resource teacher, and one pre-formal teacher. In addition to the K-6 staff, Wilson has one three day per week computer literacy teacher, two prep providers one day per week each who provide 45 minute prep time for certificated teachers, one part-time library media assistant, one part-time Speech and Language Therapist, one school psychologist for 1.5 days a week, part-time Marriage and Family Therapist, one part-time Student Assistant Specialist, one Behavioral Consultation Model Clinician for one day a week, one after school program director, two para-professionals, one administrative assistant, one student attendance clerk, one part-time bilingual community aid, one part-time TC II, two fulltime custodians, one part-time custodian, three food service employees, one campus assistant and four yard duties. Wilson's teachers range from first year to veteran teachers (two or more years of teaching experience). In the classroom, teachers teach English Language Arts with Macmillan McGraw Hill (MMH) for English Language Arts (ELA), SWUN Math (Kindergarten-6th grades). The school population includes approximately 55 English Language Learners which is 19% of the student population. English Language Development (ELD) instruction is taught systematically throughout the day along with 30 minutes of designated ELD instruction daily in each classroom.

During the 2018-19 school year, Wilson students in third through sixth grades completed the Smarter Balanced Assessment Consortium (SBAC). The results have been reported and most grade level cohorts showed growth in English Language Arts. Thirty-one percent of Wilson's third graders met or exceeded standard in ELA while twenty eight percent met or exceed standard in mathematics. While twenty-three percent of Wilson's fourth graders met or exceeded standard in ELA, and twenty-six percent met or exceed standard in mathematics. Fifth graders performed at thirty-three percent met or exceed standard in ELA, and twelve percent met or exceeded standard in mathematics. Fifth graders also continued to take the Physical Fitness Test, and they participated in the computerized science test. Wilson's sixth graders met or exceed standard in ELA at forty-eight percent, and thirty-four percent of the sixth grade scholars met or exceed standard in mathematics. Current metric data is limited as the State suspended testing in the Spring of 2020. School-wide interventions and enrichment periods were implemented four days per week during the school day. Wilson teachers will continue to provide students with interventions and enrichment throughout the school day as well as after school during the 2020-21 school year. Teachers will be using Phonics for Reading, Rewards, Language for Learning, Reading Mastery, Corrective Reading to teach in-school and RISE curriculum for interventions as well as provide enrichment supports.

In continuation with a practice that began in 2018-2019, teachers were provided with collaboration time 15 times per school year due to early release days provided by Modesto City Schools. In addition to the 15 collaboration times provided by the district, teachers were also given extra time (after district collaboration time) to meet with their grade level teams to discuss student data, design lessons from the CCSS and compose and review their SMART goals and common formative assessments. Furthermore, teachers were given the opportunity to take one professional development day per year to focus on CCSS and lesson design. This collaboration time was facilitated with the assistance of the three teacher leaders and the principal. During the 2019-2020 school year, the District has provided 26 days of collaboration time. In addition, following the format that was established in 2018-19, teachers will continue to be given the option to meet with their grade level teams and instructional coaches after district collaboration time to analyze data, design lessons and create common formative assessments. Wilson stakeholders remain committed to strengthening the character of every student through the promotion of the Modesto City School's Character Education program and the use of PeaceBuilder and SecondStep curriculum. Wilson also has the longest running mentorship program in the district with E&J Gallo. This year, we will celebrate our 23rd year where Gallo employees come to Wilson to mentor our students. In addition, over the past three years, our Positive Behavior Intervention and Support (PBIS) team has been trained using Restorative Practices. Wilson's PBIS team remains committed to training all staff members regarding the importance of the development of the "whole" student by using various Restorative Practices strategies. During the 2019 -20 school year, professional development occurred to teach and support the following: Restorative Practice classroom circle training and strategies, PeacePath, and Trauma Informed Schools Framework to teachers and support staff, along with character traits assemblies. Both the intermediate and primary playgrounds have PEACE PATHS, a "safe place" where students go to resolve their own peer conflicts with guidance. When appropriate, some teachers opt to use the Restorative Practices circle talks and/or offer comfort corners (a temporary place for students to find comfort), and Peacebuilder Center/Reset Zone to students throughout the school day. Using one or more of the aforementioned strategies, Wilson's suspension rate for 2019-2020 academic year was 1.6%. In addition, Wilson's PBIS team is committed to meeting five times per year to review discipline data and discuss strategies that promote civility and develop pro-social behaviors in student. The PBIS team consists of the principal, campus assistant, After School Program Director, Center for Human Services employees, and teachers. The following positive behavior activities will continue to be implemented at Wilson: Fun Dance Fridays, Game Days, Popcorn and lunch with the Principal, PeaceBuilder school-wide recognition, monthly positive playground rewards, daily PeaceBuilder recognition and certificates for Praise Notes, and public recognition at Student of the Month Assemblies. Students have the opportunity to participate in many activities at Wilson. The ASES Program (after-school program) and RISE Intervention which provides a safe environment to students after school hours in which they may participate in intervention and a variety of activities that include support during designated homework times with a focus on math two days a week, Jr. Chef, field trips and sports competitions with other MCS students. The director is in active communication with the school administration and there is a collaborative effort by both for the benefit of all students. There are also opportunities for students to participate in chorus, music (strings and/or band), Mighty Milers, 10K with a Cop, ASB, Wilson Baseball, Art Restores Kids, Traffic Patrol, Garden and Recycling Clubs. Wilson Elementary School has an extremely successful state preschool. Communication between Wilson's pre-primer teacher, principal and K-6 teachers is on-going. Beginning of the year Kindergarten assessment results from former pre-formal students was and will be an ongoing discussion with teachers as Wilson strives to ensure all students enrolled in these programs are ready for Kindergarten. The transition to Kindergarten is enhanced by the continuity of our pre-formal program. Kindergartners are given an ELA assessment (DIBELS) at the beginning of every year. During the 2019-2020 school year, Wilson's incoming kindergartners and parents of kindergartners were invited to attend four kindergarten readiness courses in the spring. This was the fourth time for our pre-kindergartners to become familiar with kindergarten procedures and teachers. It was also a time for parents to become familiar with the Common Core State Standards, end of year outcomes, staff, attendance procedures, and general school site procedures. A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Quality, Currency, Availability of Textbooks and Other Instructional Materials (School Year 2020-2021)

Year and month in which data were collected: September 2020

The Governing Board recognizes that students' educational opportunities are enhanced when they have sufficient access to high-quality textbooks, equipment and other instructional materials for each of the subjects they are studying. To adequately support the Board-approved curriculum, instructional materials must also be up to date. For further information about the selection and adoption of instructional materials at all Modesto City Schools, please reference Board Policies 6161, 6161.1, and 6161.11. All board policies are located at <https://www.mcs4kids.com/district/board/board-policies/board-policies>.

School Facility Conditions and Planned Improvements

The district takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are included within this report. The results of this survey are available at the district office and on the internet at mcs4kids.com.

Wilson's facilities are kept in excellent condition. We have received comments regarding the appearance of our beautiful grounds. Thanks to our community partners, Gallo Winery and Comcast, our quaint and antiques school has beautiful flowers in barrels sprinkled throughout our school. Our Associated Student Body and custodial staff carefully maintain them on a weekly basis.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

Age of School/Buildings:

This school has classrooms, a cafeteria, library, and an administration office. The main campus was built in 1929 and school opened in 1929.

Maintenance and Repair:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service. Emergency repairs are given the highest priority. The school facility is in overall good repair.

Cleaning Process and Schedule:

The Operations Department has adopted cleaning standards for all schools in the district. A summary of these standards are available at the school office, or at the Maintenance & Operations office. The Operations Department works continuously with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance:

The District participated in the State School Deferred Maintenance Program, which provided flexible state matching funds to assist school districts with expenditures for major repair or replacement of existing school facilities components. State contributions to this Program ended in the 2012-13 school year. Deferred Maintenance typically includes paving, roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting and floor systems. Carry-over funds for deferred maintenance projects throughout the District in Funds 01 and 14 have been exhausted. The Board has authorized the General Fund (Fund 01) to annually contribute \$2 million to Facility Maintenance (Fund 14) to be used for new construction and maintenance projects throughout the District, \$2 million to Routine Restricted Maintenance (Fund 14) for maintenance projects throughout the District and \$2 million to Facility Improvements (Fund 40) for the District’s high schools. Identified needed repairs are weighed against all other District site repairs and the most urgent repairs are addressed first.

Data provided by LEA. Additional information about the condition of the school's facilities may be obtained by speaking with the school principal.

School Facility Good Repair Status

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Mathematics (grades 3-8 and 11)	19	N/A	22	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2019-2020)

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-2021)

Wilson Elementary School Parents are always welcomed onto Wilson's campus and considered an integral part of school and student success. Wilson's staff members actively encourage parent involvement. During the 2019-2020 school year, parents were invited onto campus for the following meetings and/or events: Back to School Night, Pan Dulce with Parents, Picnic with the Parents, Read Across America, Parent Involvement Committee, English Language Parent Partnership Meetings, Parent Teacher Association Meetings, School Site Council, Open House, Music and Chorus Presentation, Student of the Month and PeaceBuilders Assemblies, End of Trimester Awards and Rewards (Dance and Movie days), PTA sponsored events and Bring Your Parent to School Academic Mornings. Parents are encouraged to visit Wilson's webpage and/or contact the school for more detailed information about their child's educational programs at (209) 574-8452 between the hours of 7:30 am-4:00 pm. Modesto City Elementary: K-8 Migrant Education /Title Part C supplemental instructional and support services are provided to the Modesto City Schools migrant students through a Memorandum of Understanding with the Merced County Office of Education/Migrant Education Region 3. These services are directly provided by Migrant Education Region 3 staff to preschool and elementary students. Migrant Education supplemental instructional services are provided through a combination of site and home base models. Migrant students are identified and recruited by two Support Services Liaisons that are housed at Pearson Education Center.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.9	1.3	3.6	2.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3.52	4.9	N/A
Expulsions	0	0.0	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

School Safety Plan (School Year 2020-2021)

Wilson is located in a medium to low socio-economic neighborhood in a beautiful and historical area located in southeast Modesto. In an effort to create and foster a secure learning environment, an abundance of services and resources are available to our student community including: After School Learning Program, exposure to Peacebuilder and SecondStep curriculum, Restorative Justice Practices, monthly meetings with the principal and Student Achievement and Character Education assemblies. In addition, Wilson has the following safety plan elements in place: students are acknowledged and respected; social services support systems are coordinated; the school is alert to exposure to safety issues; school buildings and classrooms are well maintained; campus security and safety is coordinated with law enforcement; parents and staff members actively participate in regular safety meetings.

The Wilson School Safety Plan is designed to provide information regarding the safety of students and staff in all situations. Wilson Elementary School has a Safety Committee made up of administration, teaching staff, a custodial representative, an administrative assistant, yard duty supervisors, and parent volunteers. With the assistance of California Safe Schools, the Wilson Safety Committee has adopted a comprehensive School Safety Plan most recently reviewed in April 2020 and is scheduled for a review in November 2020. The committee meets two times per year to review safety concerns and school procedures in an attempt to improve or enhance a safe school environment. The plan is reviewed each year for effectiveness and is adjusted as needed. Procedures to be followed in the event of any emergency at the school, or as a result of a situation in the neighborhood which may impact the school site, school crisis procedures, evacuation plans, dress code, visitor policies, conduct code and sexual harassment procedures as well as provision of learning opportunities that promote tolerance and acceptance of differences are outlined in this plan. Safety drills are scheduled throughout the school year to train students and staff to respond in case of emergency situations such as: fire, lockdown, earthquakes and evacuation of school buildings. Evacuation routes and pertinent information to assist officials to ensure student and staff safety are also included in the plan. Before and after school, the student Safety Patrol crosses students at various crosswalks around the school and an adult crossing guard is at the busy intersection on Yosemite Blvd. There is an After School Program that begins at the end of the regular school day and is open until 6:00 pm. Students are supervised and receive academic support until they are picked up by their parent/guardian. All kindergarten students are dismissed and released only to a parent, legal guardian or school official. Once school has begun all gates are locked, except the one directly in front of the front office. Visitors must come into the office and be logged into the RAPTOR System. The RAPTOR system produces a visitor's badge that is dated with a picture ID. Visitors must wear this badge when on campus. When visitors leave the school site ID Badgers are collected by the office staff. Yard duty supervisors are assigned to before school, recess and after school yard supervision in designated areas. The lunchtime recess is supervised by adult yard duty supervisors and the principal.

Types of Services Funded (Fiscal Year 2019-2020)

The Modesto City Schools Local Control and Accountability Plan (LCAP) provides detailed information on actions, services, and expenditures that support and assist students. Actions, services, and expenditures funded through past year LCAPs can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap> . The most recent LCAP can be found here: <https://www.mcs4kids.com/district/lcff-and-lcap/workshops-2019-2020> . While the LCAP is designed to support the educational progress of all students, there are specific actions and services principally directed toward meeting the needs of our unduplicated students in closing the achievement gap. Due to the Covid-19 pandemic, the district prepared a Learning Continuity Plan in accordance with State requirements. The LCP outlines how the district has addressed the demands of the pandemic.

Number of school days dedicated to Staff Development and Continuous Improvement	8	5	9

Professional development in MCS is data driven using research-based best practices to ensure our students receive guaranteed and viable curriculum in every grade, in every school. We use formative and summative data to drive our instructional decisions and focus for professional development. To this end, we utilize multiple structures to provide high-quality professional development to our staff including: summer training, preservice-days, district wide professional development days, after school workshops, Saturday workshops, substitute-release days, instructional coaching, an Induction (formerly BTSA) and Peer Assistance Review (PAR) program. For the second year, MCS has provided the opportunity for 0.5% compensation for those who choose to complete an extra six hours of professional development.

MCS has prioritized our focus on mathematics, literacy across grades and content areas, collaboration, welcoming schools/customer service, and building our capacity as professionals. This has been in addition to the needed training in new adoptions, curriculum and standard updates and the like. The professional development is sustained through site administration, district and site level instructional coaches, and intervention specialists. In the 2019-2020 academic year, a new division (Curriculum and Instruction & Professional Development) was also created in order to increase the quality and quantity of professional development provided to classified, certificated, and managers alike.
