The Board of Trustees of Modesto City Schools is in the process of conducting a Superintendent Search for purposes of hiring the District's next Superintendent. Sally Frazier, Eric Andrew and Juan Garza of Leadership Associates were selected to advise the Board in this important process. They will be in our district on March 20 and 21 to facilitate several sessions with various groups within our district's community to receive input about the desired qualities and characteristics of the next Superintendent. This input will be a valuable contribution to the recruitment and selection process.

The Board is soliciting responses to the following questions:

1. *What personal and professional qualities for an incoming superintendent will be a match for Modesto City Schools?*
2. *What are the strengths of the District, and what are the challenges you see for the District in the coming years?*

In addition to the various sessions, the District will be hosting an **Evening Open Forum, which is open to all the public. No appointment is necessary to participate.** This Open Forum is an opportunity for the public to provide input and to hear more about the search process.

The Open Forum will be held at the Beyer High School Library at 6:00 on March 20.

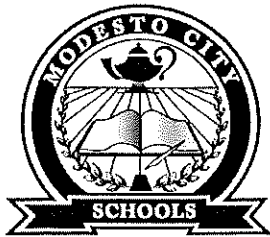

Additionally, an online survey will be available on the District's website from March 19 to March 23, 2018. You may access the survey at <https://www.mcs4kids.com/district/board/2018-superintendent-search> or by visiting the District's website at: [www.mcs4kids.com](http://www.mcs4kids.com).
